**PUBLIC PROCUREMENT | CONSTRUCTION AND ARCHITECTURE LAW | LITIGATION AND
ARBITRATION |**

Holger Fahl mainly provides advice on Public Procurement Law, Construction and Technology Projects as well as on matters of Real-Estate Law. Holger Fahl covers contract negotiations regarding projects; he provides consultation on project structures, develops public private partnership models particularly on the part of the bidder, advises public clients, including sectoral contracting entities on various issues regarding Public Procurement Law, and represents clients and companies in complex procurement review proceedings subject to Public Procurement Law. His project-related consultation links the legal matters concerned; with his many years of experience with complex construction and technology projects, Holger Fahl provides an effective and solution-oriented interdisciplinary communication of all parties involved.

Curriculum Vitae

Holger Fahl studied at the Ruhr University Bochum.

The focus was first on Commercial and Corporate Law. In the course of the professional life, the focus moved to the fields in which Holger Fahl is mainly active today: Construction Law and Plant Construction Projects. Holger Fahl is a member of the German Society for Construction Law (Deutsche Gesellschaft für Baurecht), Forum -Public.

Holger Fahl speaks German and English.
