COMPANY LAW | COMMERCIAL LAW AND CONTRACTS | M&A | IT LAW | PRIVATE EQUITY AND VENTURE CAPITAL |

Andreas Müller advises in the fields of commercial law and corporate law, in particular on cross-border mergers and acquisitions, restructuring measures as well as in the field of general corporate law, including corporate litigation. His client portfolio comprises of domestic and foreign large as well as medium sized enterprises, private equity investors and venture-capital investors.

Curriculum Vitae

Andreas Müller studied law at the Bucerius Law School in Hamburg, as well as at the University of Sheffield in Great Britain. During his studies as well as after successfully passing the first state examination, he worked for international business law firms. In the course of his legal clerkship, Andreas Müller worked in particular for the international business law firm Freshfields Bruckhaus Deringer LLP in Düsseldorf before completing his legal education by successfully passing the second state examination and working at the offices of Taylor Wessing from 2012 to 2015. January 2016, he started advising his clients as a member of Kümmerlein Rechtsanwälte und Notare.

Andreas Müller advises his clients in the German and in the English language, in which he has in particular expertise in the field of contract design as well as negotiations.
