Dr. Joachim Gores has been working as a corporate lawyer since 1995. The core of his professional activities focuses on corporate law and transactions. In addition, he advises principals and agents on technology projects as well as on the design of complex service contracts. His client basis consists of corporate groups and their affiliates as well as of powerful companies from the German „Mittelstand“. Dr. Joachim Gores has long-standing experience in advising on transnational acquisitions and other business activities of an international nature. Thus, inter alia, he offers clients from the European Union and the United States support in the implementation of their projects in Germany. Dr. Gores' notarial practice focuses on corporate law.

#### **Curriculum Vitae**

Dr. Joachim Gores studied law in Mainz where he sat his first legal state examination. He began writing his doctoral thesis during his legal clerkship which ended in 1995 with the second legal state examination. From 1995 to 1997 he worked as a course instructor at a national law refresher training institute and as a corporate lawyer. After successfully completing his doctoral degree, he joined Kümmerlein Rechtsanwälte & Notare in Essen in 1997 where he has been working in his specialized areas ever since. He became a notary in 2004. Dr. Joachim Gores speaks German and his English is business fluent. He has gained competent and broad experience in drawing up contracts in both languages.
