Dr. Patric Sonderrmann has been working as a lawyer since 2015. Furthermore, he was Managing Director of a company from the German "Mittelstand" for several years which allows him to use his economic experience for the interests of his clients. The core of his professional services focuses on commercial contracts, mergers & acquisitions as well as succession in (family) companies and restructuring. Beyond that Dr. Patric Sonderrmann assists start-ups in foundation and financing matters.

He advises his clients in German and English language.

Curriculum Vitae

Dr. Patric Sonderrmann studied law in Konstanz and Münster and sat his first legal examination in 2010. Afterwards he began writing his doctoral thesis in the field of tax law. He finished his legal clerkship in Düsseldorf with his second legal state examination in 2014. After the examination, he started working in the Düsseldorf office of an international law firm in its corporate law division with his focus on mergers & acquisitions and restructuring. This followed a position as General Director of a company of the German "Mittelstand" for several years. In 2022 Dr. Patric Sonderrmann joined Kümmerlein Rechtsanwälte & Notare in Essen.
