**COMMERCIAL LAW AND CONTRACTS | IT LAW | DATA PROTECTION | IP AND COMPETITION LAW |**

Roland Stempelmann is active in the fields of information technology law and intellectual property rights. He advises medium-sized companies and large group companies on civil and commercial law issues as well as in and out of court disputes.

One focus of his work is on legal advice in IT and outsourcing projects. He also advises clients in all matters of data protection law, copyright law and competition law.

#### **Curriculum Vitae**

Roland Stempelmann studied law at the Ruhr-Universität Bochum and at the Westfälische Wilhelms-Universität Münster. In addition to his focus on legal drafting and dispute resolution, he successfully completed additional trainings in "Information-, Telecommunication and Media Law" and "Industrial Property Rights" at the ITM of the University of Münster. At the end of his studies, he worked as a research assistant at the major international law firm Luther in Essen in the IP/IT service line. There he also completed one stage of his legal traineeship. Further stations of his legal traineeship included the legal department of the University of Duisburg-Essen and the legal department of the thyssenkrupp Elevator AG.

After having passed the second state examination he started working as a lawyer at Kümmerlein Rechtsanwälte & Notare in 2020.

Roland Stempelmann speaks German and English.
