## INHERITANCE LAW | REAL ESTATE LAW |

Wolfgang Dahlbüdding advises mainly medium-sized companies and their owners in all areas of real estate law, especially in the field of property developer law.

His activities focus on advising and implementing measures in the context of the division of land ownership into residential and partial property, as well as the planning and sale of single-family and multi-family housing complexes. Further focus is the contract design of real estate transactions, as well as the support of clients in the acquisition and sale of larger real estate properties.

In addition, Wolfgang Dahlbüdding is active in the field of family and inheritance law, in particular in the drafting of marriage and inheritance contracts, including in the context of succession of assets.

Wolfgang Dahlbüdding was a notary from 1990 to April 2023.

### Curriculum Vitae

Wolfgang Dahlbüdding first completed a commercial training with Siemens in Berlin and Düsseldorf and then studied law in Freiburg and Münster. He held his traineeship in Düsseldorf and passed his second state examination in 1982.

He was initially a partner in a real estate law practice in Essen and since 2012 a partner of a local law firm specializing in construction and real estate law.

From 1.1.2021 he will contribute his professional experience to Kümmerlein.
